

# family mimsydotes SESSION.....\$220

Let your family shine!

Hands down I love capturing families just being real and having some fun.

Family sessions are for 4-6 individuals and are about 1 hour long.  
Sessions are held at an outdoor location of your choice...such as a nearby park, your home,  
or any spot you love being a family at.

Session fee does include

30-35 best of the best color images **CHOSEN** by *mimsydotes* on disc.

Don't let *mimsydotes* do the choosing.

For an additional \$100 to the session you will receive **ALL** the great images  
plus the fun edits like black and whites, sepia, and other creative color edits. (approx. 75-100 images)

\$25 per hour drive time for locations over a 30 minute drive
