newborn SESSION.....\$250

The focus of the newborn session is the little bundle of joy & all things wonderful about being a newborn.

Newborn sessions are best done *within the first 10 days of birth*.

Therefore, sessions should be booked a few months before the due date.

Newborn sessions are about 2 hour sessions (allowing time for feedings and snuggles) and can be scheduled in my studio or in the comfort of your home.

Session fee does include

20-25 best of the best images **CHOSEN BY** mimsydotes on disc.

Don't let mimsydotes do the choosing.

For an additional \$100 to the session you will receive ALL the great images plus the fun edits like black and whites, sepia, and other creative color edits. (approx. 75-100 images)

\$25 per hour drive time for locations over a 30 minute drive
